

Design a mascot activity

With the upcoming Olympics and Paralympics in Tokyo this Summer. The Breckland School Sport Partnership would like to challenge pupils to create a School Olympic Mascot.

This is a great classroom activity for pupils, giving them a chance to be part of a creative & cultural experience.

This activity is aimed at Key Stage 2 pupils.

Designs should be creative, use bright colours and be based on one or more the Spirit of the Games values. The School Games Values can be found on the next page.

Have fun, get creative and don't forget to tag us over on Twitter & Instagram [@Breckssp](#) so we can see what you've been up to!

If you would also like to send designs in by email to be featured on the Breckland SSP social media pages, then please email them to stuart.silvester@iceni.attrust.org.uk

The School Games Values
